R3 Commercial provide building maintenance, repair, engineering and construction solutions to commercial properties and have a vast range of capabilities, resources and infrastructure to deliver these services to you

Whether you're a commercial property owner, developer or landlord, as your partner of choice we will ensure that your assets are maintained to a safe and professional standard, meeting all statutory and legislative requirements

R3 Commercial is a partner you can trust

PUTTING YOU IN CONTROL

Our unique booking and job management system allows you to control and manage every aspect of your repair, maintenance, construction or refurbishment project

Of course our staff are always on hand, and you can book by telephone or e-mail too, but it's quicker and easier to use our online services - available 24 hours a day. Using your R3 Commercial website account lets you:

▶ BOOK REPAIRS

Book a Quick Job there and then, 24 hours a day, and select an appointment slot that suits you or your customer - for big jobs, simply book an appointment for a quote instead

▶ MANAGE INVOICING

See all your invoices in one place, print or save copies as you need them, and see details of jobs in progress

▶ MAKE PAYMENTS

Make quick, simple, online payments any time, and get instant confirmation

▶ MANAGE STAFF PERMISSIONS

Add and remove staff members, and decide what they can do - order new works, see or access invoices, manage other users or customers - it's a simple, easy and flexible system

▶ ADD YOUR OWN CUSTOMERS

Each of your own customers can have their own separate account within your corporate account, and you can add, remove and manage the permissions of your customer's staff or their customers - so your customers can start managing their own orders and invoicing, all within your corporate account

As members of all the main trade associations, both you and your customers have the peace of mind that only qualified professionals will be working on your projects

All our tradesmen are background checked with Disclosure Scotland and are employed solely by R3 - so with all your repair, maintenance, construction and refurbishment needs catered for, you can get on with all the other things that are important to your business
